

SUPPLEMENTAL BENEFITS & PERKS

Hospital Gap Plan

Medical expense gaps in Health Insurance may be caused by medical circumstances that are beyond your control. High deductible and coinsurance payments can lead to out-of-pocket expenses that you are not prepared for. The Allstate Gap plan offered will help alleviate some of those costs.

Basic Life and AD&D

We provide full-time employees with Life insurance and Accidental Death and Dismemberment insurance at 1 x their salary through US Able Life at no cost to the employee.

Dental

This plan through Guardian allows you and your family to seek treatment from the dentist of your choice.

Vision

This plan through United Healthcare enables employees and their families to significantly reduce their expenditures for routine eye care, glasses and contacts.

Supplemental Insurance

Employees who wish to supplement their group insurance benefits may purchase additional coverage through Aflac such as Life, Accident, Disability, Cancer and more.
